On April 4<sup>th</sup> in 2024 over 400 influential affluent guests will come together to celebrate 100 years of the Greenwich Association of Realtors.

The evening will be catered by Aux Delice with an open bar and filled with live music, DJ entertainment, world class art & a silent auction.

The event's beneficiary will be the Greenwich Association of Realtors' non-profit organization, the Greenwich Association of Realtors Community Foundation. GAR has been providing meaningful and substantial contributions to the Greenwich not-for-profit community for 100 years. Our new foundation will formalize that process.

The guest list will consist of members of the association of realtors, spouses, affiliate partners, elected officials and members of the community.

Following you will find our sponsorship opportunities to reach this influential audience and to become a part of Greenwich history.
